Dear Mother,

How are you? I am happy and well.
Mr. Baughman went to Georgia. He will not come back to school. Our basket ball team will go to play basket ball games in Mo.

I wish you a happy birthday. I am very happy. Are you happy?
Last Feb 14, Valentine Day, some of the girls and boys sent valentines to me. I counted 10 of them.

I love you very very much
Ray Nelson
